

Figure 2: 1919 survey showing Mount Zion Cemetery/Female Union Band Society Cemetery (center) (*Baist's Real Estate Atlas of Surveys of Washington, D.C.*, Volume Three, Plan 3. GW Baist Publishers, Philadelphia, PA). The cemetery to the upper left is Oak Hill. The 1968 Baist survey indicates little change except for the construction of two apartment buildings southeast of the cemetery on the former Washington Railway and Electric property.
